

## Performance in Communicating with Stakeholders over Their Topics of Concern

Greatek collects topics related to sustainability based on the UN Sustainable Development Goals (SDGs), industry regulations and standards, industry benchmarks, and the organization's annual objectives.

Representatives from each department communicate with stakeholders using various channels of stakeholder communications on a timely basis and as needed. Additionally, topics of stakeholders' concern have been compiled in reference to the GRI (Global Reporting Initiative) Standards.

Greatek reports to the Board of Directors the topics of stakeholders' concern and effectiveness of such communications on an annual basis.
